  - Basic questions - who you are, how to contact you
  - ‘Scouting Criteria’ – have you been on an international trip before
  - You will need your parents permission (if currently under 18) or Membership Number (if over 18)

# How do I apply?

- **Applying now doesn't commit you to going**

## Contingent Application Form

The deadline is midnight on **Sunday 3 May 2020**. It is a ballot system, not first-come-first-served, which means we'll be waiting until applications have closed before allocating spaces, so as long as your application is in before the deadline you will be in the running for a place on the Moot.

To apply, you will need:

- Your Membership Number if you are over 18
- Your parent/carer's permission if you are under 18
- if you are applying for IST you will also need contact details for your Scouting line manager and permission from them to share their details with us

# The Selection Process

- Participants drawn by **random ballot**
- Doesn't matter when you applied, **every ballot is equal**
- Potential for **additional ballot places** depending on 'Scouting Criteria' – to make the contingent **more inclusive** to those who have missed out on international experiences before
